

IRINA DUBROVSKAYA

QA ENGINEER

MINSK · [+375 \(29\) 555-8709](tel:+375295558709) · IRIN.DUBROVSKAYA@GMAIL.COM

I am experienced in creating test documentation, manual testing and working with testing tools.

I try to find simple solutions to complex tasks. I understand the importance of striking a balance between business goals and user satisfaction. I am sure that success comes only in the right place and with the right people.
